## **Coaxial cables · Video cables Loudspeaker cables**

Coaxial cables are used in all areas of the high frequency transmission technology, for example in medicine, military or in communication sectors. Because of the wide spectrum of coaxial and video or TV cables, which HELUKABEL® has on stock, the most requirements are covered. Naturally we also offer special constructions for you.

HELUKABEL® supply RG-coaxial cables or RG-multi coaxial cables according to the american military standard MIL-C-17.

The coaxial cables for satellite receivers and TV aerials as well as video cables are designed according to the respective specified standards.
