

# Contents Bus Cables

| Description   | Page  |
|---|-------|
| Industrial Ethernet HELUKAT 600IND S-STP solid, ROBUST .....                | I 68  |
| Industrial Ethernet HELUKAT 200IND S-FTP Megaflex .....                     | I 69  |
| Industrial Ethernet HELUKAT 100S ECO S-FTP 4-core, drag chain .....         | I 70  |
| Industrial Ethernet HELUKAT 100S ECO S-FTP 4 pairs, drag chain .....        | I 71  |
| Industrial Ethernet HELUKAT 200S S-FTP 4-cores, drag chain .....            | I 72  |
| Industrial Ethernet HELUKAT 200S S-FTP 4 pairs, drag chain .....            | I 73  |
| Industrial Ethernet HELUKAT 100T S-FTP Tordierflex .....                    | I 74  |
| Industrial Ethernet PROFINet type A, PVC and PUR .....                      | I 75  |
| Industrial Ethernet PROFINet type A, radiation resistant and armoured ..... | I 76  |
| Industrial Ethernet PROFINet type B hybrid .....                            | I 77  |
| Industrial Ethernet PROFINet type B and C .....                             | I 78  |
| Profibus L2, fixed installation indoor .....                                | I 79  |
| Profibus L2, Cable Tray UL FT4 .....  | I 80  |
| Profibus L2, fixed installation outdoor and industry .....                  | I 81  |
| Profibus L2, underground laying .....                                       | I 82  |
| Profibus L2, 7-wire .....   | I 83  |
| Profibus L2, drag chain .....   | I 84  |
| Profibus ET200X, Profibus ECOFAST .....                                     | I 85  |
| Profibus hybrid, DESINA® .....  | I 86  |
| Profibus L2, torsion and festoon .....                                      | I 87  |
| Profibus PA .....   | I 88  |
| Profibus PA, Long Distance .....  | I 89  |
| Profibus SK, indoors and outdoors .....                                     | I 90  |
| Profibus SK, FRNC and Industry (PUR) .....                                  | I 91  |
| Profibus SK, drag chain .....   | I 92  |
| FOUNDATION™ Fieldbus FF type A, with device ground .....                    | I 93  |
| FOUNDATION™ Fieldbus FF type A, with device ground and armouring .....      | I 94  |
| FOUNDATION™ Fieldbus FF type A, without device ground .....                 | I 95  |
| CAN bus 0.22 mm², flexibel .....  | I 96  |
| CAN bus 0.34 mm², flexibel .....  | I 97  |
| CAN bus 0.50 mm², flexibel .....  | I 98  |
| CAN bus 0.25 mm², drag chain .....  | I 99  |
| Interbus fixed installation, remote bus and installation remote bus .....   | I 100 |
| Interbus fixed installation, remote bus halogenfree .....                   | I 101 |
| Interbus drag chain, remote bus and installation remote bus .....           | I 102 |
| ASI bus, EPDM .....   | I 104 |
| ASI bus, PUR .....  | I 105 |
| ASI bus, UL/CSA .....   | I 106 |
| Sensor actuator cable .....   | I 107 |
| DeviceNet™ PVC .....  | I 108 |
| DeviceNet™ Belden, PVC .....  | I 109 |
| DeviceNet™ FRNC .....   | I 110 |
| DeviceNet™ Belden, CPE .....  | I 111 |
| DeviceNet™ PUR .....  | I 112 |
| CC link bus .....   | I 113 |
| SafetyBUS p, fixed installation and drag chain .....                        | I 114 |
| EIB bus, 4 cores, PVC .....   | I 115 |
| EIB bus, 4-core FRNC and 4-pair PVC .....                                   | I 116 |
| HOMEWAY HW3 FTP + coax .....  | I 117 |
| HOMEWAY HW4 FTP + Coax + EIB .....  | I 118 |
| KH bus, PVC and FRNC .....  | I 119 |
