

Data, Network & Bus Technics

The complete program, from delivery advice to installation.

LAN and WAN Networks have steadily increased in importance in the last few years, and have become the backbone of company communication. HELUKABEL® can offer an extensive range of equipment for networking heterogeneous systems using Fibre Optic and Copper techniques. Products developed by us for passive applications, and active components from well-known manufacturers form the basis of our portfolio.

Our activities can be recognized by the tradenames HELUCOM®, HELUKAT®, HELUCOM CONNECTING SYSTEMS and HELUKAT CONNECTING SYSTEMS. HELUKABEL® offers the complete spectrum of professional consultation from supply to installation – all from one source.
